## Appointments vs. Express Advising

<b>APPOINTMENTS</b>	<b>EXPRESS ADVISING</b>
<p>Students will be seen primarily on an appointment basis.</p> <p>This will reduce the wait time for students and allow the advisors to prepare for the advising session.</p>	<p>Students will be seen by an “express” advisor on a walk-in basis for situations that can be addressed in approximately 15 minutes.</p>

<p>During periods of <b>high student traffic</b>, such as the first week of classes and deadline day, students will be seen on a <b>walk-in basis only</b>.</p>	
<p><b>*** Students with an emergency situation may see advisors immediately at any time. ***</b></p>
