

**“DISABILITY ACCOMMODATION FOR APPLICANTS AND EMPLOYEES”
EMPLOYEE REQUEST FOR ACCOMMODATION
UNIVERSITY OF TEXAS AT AUSTIN**

This form is an initial step in processing your request for accommodation under the University's "Disability Accommodation for Applicants and Employees" policy. An accommodation is a reasonable modification or adjustment to the job application process or work environment that enables a qualified person with a disability to be considered for a position, perform the essential functions of a position, or enjoy the same benefits and privileges of employment as are enjoyed by non-disabled employees. In order to determine whether you are eligible for accommodations under the Americans with Disabilities Act Amendment Act (ADAAA) of 2008, the University will ask that you sign a Release of Information form that permits the University to discuss your medical condition with your healthcare provider. Having a medical condition alone is not enough to make you eligible for accommodation under the Americans with Disabilities Act Amendment Act of 2008. Under the ADAAA, an individual with a disability is a person with a physical or mental impairment that substantially limits one or more major life activities; has a record of such impairment; or is regarded as having such impairment. A substantial limitation is defined as an impairment that prevents the performance of a major life activity that most people in the general population can perform.

The Americans with Disabilities Act Amendment Act of 2008 requires that the University keep medical information confidential. However, the law allows certain individuals to be informed of your condition as needed. These persons can include your manager(s) or supervisor(s), human resource personnel, first aid and safety personnel, personnel investigating compliance with the ADAAA and other persons with a need to know. The law does not prohibit you from voluntarily discussing your condition or medical information about yourself.
