

Petition to Write a Thesis, Report or Dissertation in a Language Other than English

*This form must be typed or word-processed, and attached to the doctoral **Application for Candidacy**; for master's degrees, this form must be submitted when the student enrolls in a thesis or report course.*

Please return this form to the Office of Graduate Studies, Main 101, Mail Code G0400.

Name of Student

UT EID

Proposed Language

Check one: Thesis Report Dissertation Treatise

Please allow the student named above to write a thesis, report, dissertation or treatise in the language designated above. The recommended committee members are fully able to advise and assist the student in preparing a thesis, report, dissertation or treatise on the proposed topic in this language.

A substantial summary-and-conclusion section in English will be included in the thesis, report, dissertation or treatise .

The justification for this request is: (additional pages may be attached)

If the justification hinges on the prospect of publication in a language other than English, then evidence in the form of a contract or letter from a publisher, or a letter from the editor of a journal or book series, or some other tangible evidence to support the expectations that the work will be published in the other language is required.
